Why me?

This story is related to Dasya Bhakti as described in Shrimad Dasbodh. It gives example of Total Acceptance, which is the core of Dasya Bhakti.

Arthur Ashe, the legendary Wimbledon player from USA was dying of Cancer.

From world over, he received letters from his fans, one of which conveyed: "Why does GOD have to select you for such a bad disease"?

To this Arthur Ashe replied: "The world over - 50 million children start playing tennis, 5 million learn to play tennis, 500,000 learn professional tennis, 50,000 come to the circuit, 5000 reach the grand slam, 50 reach Wimbledon, 4 to semi final, 2 to the finals, when I was holding a cup I never asked GOD 'Why me?'".

And today in pain do you think I should ask GOD 'Why me?'
